

REGIONAL DISTRICT OF OKANAGAN-SIMILKAMEEN

INFORMATION RELEASE

Date **June 30, 2017**

Title **Naramata Water System Rehabilitation Project begins Construction**

The Clean Water and Wastewater Grant rehabilitation work for the Naramata Water System has begun. Construction will be occurring on the following Roads – Hayman Road, Lower Debeck Road (west end), Juniper Road (near reservoir), Naramata Road (between Gawne Road and Arawana Road), McPhee Road, Sammet Road, Littlejohn Road and Hyde Road.

Construction work is expected to occur over the next several months and to be completed by the end of 2017. The public is reminded to be cautious and not to enter into the active construction areas. Safety of the public, as well as all the workers on site, is of paramount importance.

Any residents directly affected by the construction activities will be contacted by the contractors to discuss the upcoming activities and any inconvenience that may occur.

For further information, please contact Candace M. Pilling, RDOS Engineering Technologist, at (250) 490-4210 or cpilling@rdos.bc.ca.
