

WATER QUALITY ADVISORY

Sage Mesa Water

May 20, 2010

Responding to a 'Fair' rating on the Turbidity Index, the Regional District of Okanagan-Similkameen has issued a **WATER QUALITY ADVISORY** for the Sage Mesa Water System until further notice.

While the associated health risks are minimal, the RDOS and Interior Health recommend that children, the elderly, people with weakened immune systems, and anyone seeking additional protection drink boiled

turbidity index

Due to increased turbidity (cloudiness), Interior Health and the RDOS recommend that children, the elderly, people with weakened immune systems, and anyone seeking additional protection drink boiled water or a safe alternative.

*Health risks increase as turbidity rises.
Stay Safe.*
