## BOIL WATER NOTICE RESCINDED

### *SUN VALLEY WATER SYSTEM USERS*

**NOVEMBER 27<sup>th</sup>, 2017**

---

We are please to advise that the Boil Water Notice for the Sun Valley water system is now rescinded.

The Sun Valley Water System reservoir was cleaned and disinfected on November 9<sup>th</sup> and the water system flushed with chlorinated water the following day. Chlorine remained in the system for approximately 1 week. After confirming the system was free of chlorine bacteriological samples were taken for testing. The bacteriological samples came back from the lab negative for Total Coliforms and the Interior Health Authority has provided approval for RDOS to rescind the Boil Water Notice.
