Canadian artist Roy Vickers is one of Canada's premier artists best known around the world for his limited edition prints. Roy's distinctive artistic style creates a harmonious fusion of traditional and contemporary, old and new, personal and universal sought after prints, carvings and designs.

Mr. Vickers will be on hand to unveil his limited edition prints of 100, which he created in honour of Kenny McLean, to be sold for \$300.00 each. Proceeds from the sale of 90 of these prints will be donated to the Kenny McLean foundation to be put towards the creation of the life sized bronze sculpture which will be placed in Centennial Park.

To purchase your tickets, please call Kevin 488-2320.
