

ESS Volunteers Needed

Emergency Social Services

Regional District of Okanagan-Similkameen

Emergency Social Services is based on volunteerism, and is dependent upon the willingness of individuals in the community to help plan for the well-being of their neighbours and fellow citizens in the event of a disaster.

The RDOS is looking for additional volunteers in your electoral area to assist with Emergency Social Services (ESS). ESS provides short-term assistance to British Columbians who are forced to leave their homes in the event of fire, floods, earthquakes or other emergencies. This assistance includes food, lodging, clothing, emotional support and family reunification.

You should be community minded, caring, and reliable to assist in emotionally charged situations as an ESS volunteer. Training will be provided. Please forward by December 3, 2010 a brief overview with your background and expectations to:
