

REGIONAL DISTRICT OF OKANAGAN-SIMILKAMEEN

INFORMATION RELEASE

May 4, 2017

Landfill Free Yard and Garden Waste Disposal Limits

The Regional District of Okanagan-Similkameen (RDOS) Board is revisiting the amount of yard and garden waste landfills can accept for free. The amount accepted for free will remain at 500 kg per load. This is a change from the proposed reduction to 100 kg free per load brought forward earlier this year. This change only affects the Campbell Mountain, Oliver, Okanagan Falls and Keremeos Landfills which are operated by the RDOS.

The revision was made due to public concerns. The RDOS Board has requested that staff look at the issue and report back to them with more detail at a later meeting.
