

REGIONAL DISTRICT OF OKANAGAN-SIMILKAMEEN

INFORMATION RELEASE

Date: June 30, 2017

Title: Improvements to Regional Transit

The Regional District of Okanagan-Similkameen is pleased to announce the July 1st implementation of the Regional Integration Project for the South-Okanagan Similkameen Transit System.

Local government partners and BC Transit have collaborated to produce a single integrated riders' guide, fare structure, and website. Schedule, routes, and fare information for all five transit systems are now conveniently located in one riders' guide. Riders will also benefit from a single fare structure that will facilitate seamless travel throughout the region.

The project achieves a key goal of the 25 Year Transit Future Plan, which aims to connect people and communities, locally, regionally, and inter-regionally through cost-effective, convenient, integrated, accessible and user-friendly public transit services.

Single fares can be paid on the bus, while ten-ticket sheets, day passes and monthly passes are available for purchase at the following RDOS locations:

RDOS Office, 101 Martin Street, Penticton
Area "D" Community Services Office, #1 - 5350 9th Avenue, Okanagan Falls
Town of Oliver, Town Hall, 6150 Main Street, Oliver
Town of Osoyoos – Town Hall, 8707 Main Street, Osoyoos
