

**REGIONAL DISTRICT OF OKANAGAN-SIMILKAMEEN**  
**INFORMATION RELEASE**  
**DECEMBER 21, 2018**

Many locations to recycle Christmas Trees

Give your Christmas Tree a second life this holiday season by recycling them at one of many convenient locations throughout the Regional District of Okanagan Similkameen. Before recycling ensure that all tinsel, ornaments, fake snow, etc., is removed.

Several communities offer Christmas Tree collection or drop off programs for clean, natural trees:

- For a donation, the **Penticton Fire Fighters Local 1399** will pick up Christmas Trees from December 27 to January 18. All donations received will go to the B.C. Professional Fire Fighters Burn Fund and Muscular Dystrophy charities. Penticton and West Bench residents can call **250-490-2315** to register for collection. Residents can also drop off clean natural Christmas Trees at Fire Hall #2 at **285 Dawson Ave** from December 26 to January 31.
- **District of Summerland** residents can call the Fire Hall at **250-404-4087** or e-mail [sfd@summerland.ca](mailto:sfd@summerland.ca) to request collection of their Christmas Trees. For a donation Summerland Secondary students will be out collecting trees on Sunday, January 6 and Sunday, January 13. Donations go to the Summerland Secondary Dry Grad.
- **Town of Oliver** will have a bin for Christmas Tree drop-off located on **Station Street just north of Bank Avenue** until January 10. Please ensure the tree is clean of ornaments and tinsel. This tree drop-off is being sponsored by EZ Bins.
- **Town of Osoyoos** residents can drop off Christmas Trees adjacent to the washroom at **Kinsmen Park** (on boulevard) or at the Northwest Corner of the Parking Lot below **Sun Bowl Arena** sign until Monday, January 7. Questions can be directed to 250-495-6213 or [pubworks@osoyoos.ca](mailto:pubworks@osoyoos.ca).
- In **Naramata by request**, volunteer firefighters can come and pick up your discarded tree from your driveway starting on Saturday January 12, 2019. Please advise the fire hall by email at [stn161admin@rdos.bc.ca](mailto:stn161admin@rdos.bc.ca) that you wish to have your tree picked up and provide your street address. Ensure the tree is clean of ornaments and tinsel. Place it at the curbside close to January 12<sup>th</sup> to avoid it being buried in fresh snow or ice. Sponsored by EZ Bins.

When open, all landfills in the Regional District will accept, free of charge, up to 500 kg (1,100 lbs) of yard waste including clean natural Christmas Trees. Trees must be free of tinsel, fake snow, ornaments and lights. The trees will be chipped and given new life as animal bedding or compost. Burning Christmas Trees creates strong smoke due to moisture in the wood and needles. Fine particulates from smoke have been linked to respiratory and heart diseases. Any tinsel, fake snow or ornaments left on the tree will create added pollution.

If you have any questions, please contact the RDOS Solid Waste Department at 250-490-4129, toll free 1-877-610-3737 ext. 4129, e-mail [info@rdos.bc.ca](mailto:info@rdos.bc.ca) or visit [www.rdos.bc.ca](http://www.rdos.bc.ca).
