

## REGIONAL DISTRICT OF OKANAGAN-SIMILKAMEEN

### INFORMATION RELEASE

January 15, 2020

#### Winter Weather Conditions on the Roads

---

Winter weather conditions can quickly become dangerous with little or no warning. The Regional District of Okanagan-Similkameen (RDOS) is reminding drivers to be prepared, and to slow down and drive with care. In addition to having proper winter tires on your vehicle, drivers are encouraged to travel with a Grab-and-Go Bag.

Protect yourself and your family by learning more about the different winter hazards you might encounter and how to plan for emergencies.

Check the Environment and Climate Change Canada website for weather forecasts and severe winter weather alerts: <https://www.canada.ca/en/environment-climate-change/services/seasonal-weather-hazards/be-prepared-for-winter.html>

#### **Snow Removal**

**AIM Roads** provides highway infrastructure maintenance and services for the South Okanagan service area.

If you have questions about snow removal, please call **AIM Roads 24-hr hotline: 1-866-222-4204**
