Dear Mr. Ashton

Re: Calling All BC Safety Superheroes

Every day in British Columbia, individuals and organizations work tirelessly to protect the public by making our communities a safer place to work, live and play.

At the BC Safety Authority, we believe that these "Safety Superheroes" need to be acknowledged for their dedication, leadership and innovation in the promotion of safety – but we need your help.

If you know someone who truly believes in safety and works to ensure technical systems, products and equipment in our lives are safe, then please tell us about them. **Call for nominations for the 6th Annual Lieutenant Governor's Awards for Public Safety 2010 are now open.**

Presented by the BC Safety Authority, together with the generous support of our sponsors, the Lieutenant Governor's Awards for Public Safety will honour two individuals and one organization on Tuesday, November 23, 2010, at the Vancouver Convention Centre.

The enclosed nomination package provides detailed information on nomination criteria and requirements. This information and nomination form is also available on our website at www.safetyauthority.ca for you to forward to your colleagues and friends.

Nominations are being accepted now until September 17, 2010.

Information about purchasing tickets to the luncheon will be available in September.

We look forward to learning about who you consider to be BC's Safety Superheroes.

Sincerely,

Harry Diemer
President & Chief Executive Officer
