Energy Efficiency Requirements (required for all new/substantially new structures)

Effective December 19, 2014 all building permit applications for **new dwellings** must address the requirements of Section 9.36 Energy Efficiency of the BC Building Code. These changes will require additional information at time of permit application. Upon submission it will be necessary to outline:

- Proposed heating/cooling systems
- Building ventilation as per 9.32 (is a heat recover ventilator being used?)
- Location and type of air barrier and vapour barrier
- Detailed wall / ceiling / floor assemblies including Effective Insulation Value of all components
- “U” ratings of proposed windows and door

Effective Thermal Resistance Compliance method:

Prescriptive

Prescriptive plus simple trade-offs (provide details)

Performance (energy modelling from Certified Energy Advisor required)

Mechanical ventilation:

Forced Air Systems Distributed CRV Systems

HRV Systems Exhaust Fan & Passive Inlets – Zone 5 – single storey, less than 1800 sq. ft.

Proposed Heating system:

Forced Air Wood burning appliance Heat pump – Zone 5

Electric Baseboard Masonry fireplace Ductless split – Zone 5

Radiant / hydronic Heat Geothermal Gas Fireplace

Other _____

Proposed Air Barrier location: Exterior Interior

Supporting Information

- Yes No Are there any restrictive covenants registered on the subject property?
 Yes No Are there any registered easements or rights-of-ways over the subject property?
 Yes No Is there legal access to the subject property?
 Yes No Is there a watercourse on the subject property or within 30 m of your project?

SUBMIT a recent copy of the Certificate of Title or title search print for the subject property or properties (see information on Page 4 – RDOS can obtain this information on your behalf).

SUBMIT two copies of a detailed site plan and other drawings **drawn to appropriate scale** that must include the following:

- Bearing and dimensions of the parcel taken from the registered subdivision plan;
- The legal description and civic address of the parcel;
- The location and dimensions of all statutory rights of way, easements and setback requirements;
- The location and dimensions of all existing and proposed buildings or structures on the parcel;
- Distances from the project to the high water mark of any lake, swamp, pond or watercourse or the top bank of any ravine;
- The location of a proposed septic tank and distances from any water;
- The existing and finished ground levels to an established datum at or adjacent to the site and the geodetic elevation of the underside of the floor system of a building or structure where the Regional District's land use regulations establish siting requirements related to minimum floor elevation; and
- The location, dimension and gradient of parking and driveway access.

Building Plans

SUBMIT two sets of building plans **drawn to a scale** of 1/4" per foot or 1:50 mm or such other scale as may be acceptable to the building official that:

- Include floor plans showing the dimensions and use of all areas: the dimensions and height of crawls and roof spaces, the location, size and swing of doors, the location, size and opening of windows; floor, wall and ceiling finishes; plumbing fixtures; structural elements; and stair dimensions;
- Include a cross section through the building or structure illustrating foundations, drainage, ceiling heights and construction systems;
- Include elevations of all sides of the building or structure showing finish details, roof slopes, windows, doors, finished grade and conformance with the Building Code, Regional District bylaws, covenants and contracts relating to building height requirements;
- Include cross-sectional details at sufficient locations to illustrate that the building or structure conforms to the Building Code; and
- Include a foundation design.

INCLUDE copies of approvals required under any enactment relating to health or safety, including without limiting, sewage disposal permits, highway access permits and Ministry of Health approval or, if such approvals have been applied for and not obtained, copies of the application.

Additional Information

Additional material or more detailed information may be requested by the Regional District upon reviewing your application.

You may be required to provide a survey certificate of the property.

Manufacturer's specifications and layouts are required for all manufactured beams, engineered trusses and I-joists.

Applications for Plumbing Permit

Plumbing fixtures to be installed or repaired:					
Water Closets (toilets)	Bathtubs (with or without showers)	Shower stalls (include # of heads)	Sinks		Urinals
			Kitchen	Bathroom	Laundry
Automatic Washers	Dishwashers	Hose Bibs	Floor Drains		Other Fixtures (list)
Total Number of fixtures:					

Applications for Building Relocation Permit

Applications for permits to authorize relocation of existing buildings must be accompanied by an approved demolition permit for the location from which the building is being relocated, if that location is subject to this bylaw.

Applications for Complex Buildings

In addition to the requirements set out above, applications for complex buildings must include:

- A letter of assurance in the form of Schedule A as referred to in Section 2.2, Division C of the Building Code, signed by the owner, or a signing officer of the owner if the owner is a corporation, and the coordinating registered professional;
- Include a completed, signed and sealed Building Code analysis in a form prescribed by a building official; and
- Include letters of assurance in the form of Schedule B-1 and B-2 as referred to in Section 2.2, Division C of the Building Code, each signed by such registered professionals as the building official, coordinating registered professional or Building Code may require to prepare the design for and conduct field reviews.

COMPLETION CHECKLIST:

- Completed all relevant sections of this application form
- Recent State of Title Certificate or Title Search (not more than 30 days old)
- Copies of all covenants, easements and right of ways registered against the title
- Two copies of a site plan with all required information
- Two sets of building plans with all required information
- Detailed wall / ceiling / floor assemblies including Effective Insulation Values
- Approved Watercourse and / or Environmental Sensitive Development Permit (if required)
- Sewage disposal permit and/or New Home Authorization documentation (if applicable)
- Highway access permits (if required)
- All owners listed on the title have signed the application form and Form 1**
- Correct application fee amount (contact Staff for current fees)
- Schedule from Coordinating Registered Professional (complex buildings only)
- Building Analysis (complex buildings only)

Important: Your application will not be considered complete unless it contains all the information above. The processing of your application will be delayed if it is incomplete. Contact a staff member for assistance.

A note about obtaining the State of Title Certificate/Title Search and Covenants. The State of Title Certificate/Title Search and covenants may be obtained through our office, from the Land Title Office or through your local government agent office for a fee.

Please obtain copy of current title search and/or required covenants, easements and right of ways.
I understand the applicable charge(s) will be applied to my building permit costs.

Notice of collection of personal information:

Personal information on this form is collected for the purpose of processing this application and for administration and enforcement. The personal information is collected under the authority of the *Local Government Act* and the bylaws of the Regional District Okanagan-Similkameen. Documentation/information submitted in support of this application can be made available for public inspection pursuant to the *Freedom of Information and Protection of Privacy Act*. Contact the Freedom of Information Officer at the Regional District Okanagan-Similkameen for information.

FORM 1

Acknowledgements of *Owner*

I acknowledge that the **owner** of the land in respect of which this permit is issued is solely responsible for carrying out the work authorized by this permit in accordance with the **Building Code** and other applicable laws respecting safety, including the requirements of the **Building Code** in relation to soil conditions for **building** foundations.

I acknowledge that the **owner** of the land is also solely responsible for determining whether the work authorized by this permit contravenes any covenant, easement, right of way, **building** scheme or other restriction affecting the **building** site, and whether the work requires the involvement of an architect under the **Architects Act** or an engineer or geoscientist under the **Engineers and Geoscientists Act**.

I acknowledge that the Regional District Okanagan-Similkameen provides a limited service in relation to **building construction** and does not, by issuing **building** or **occupancy** permits, make any representation or give any assurance that the **construction** authorized by this permit complies in every or any respect with the **Building Code** or any other applicable laws respecting safety.

If the Regional District Okanagan-Similkameen has so indicated on this permit, I acknowledge that the Regional District has issued the permit in reliance on the certification of a **registered professional**, engaged by me to provide such a certification, that the plans for the work authorized by the permit comply with the **Building Code** and other applicable enactments, and that the fee for the permit has been accordingly set. I acknowledge that the Regional District Okanagan-Similkameen, by issuing this permit or any **occupancy** permit, makes no representations to me or any other person as to any such compliance.
