   Carried Unanimously

2. OTHER
   2.1. Keeping Nature in our Future Document Review

   Motion: That the Regional District of Okanagan Similkameen endorse this document as guidance for future
   land use policy with regards to biodiversity subject to the following conditions:
   ▪ That the document not be converted into a prescriptive policy
   ▪ Further analysis be conducted on the implication of the strategy
   ▪ Clarification of how individual land owners would utilize the resources as this is unclear in the
   Keep Nature in our Future document
   ▪ Area ‘C’ APC is concerned with the applicability and accuracy of the maps usage in local land
   use decisions

   Carried
   1 Opposed

3. ADJOURNMENT
